THE ACTIVE ELECTRICAL <> SIMPRO INTEGRATION

- **Up-to-date pricing**
  Active's price file syncs into your Simpro catalogue.
- **Catalogues delivered for you**
  Regularly updated, correctly formatted catalogues straight into Simpro.
- **Quote with current prices**
  Build quotes and estimates from your latest Active pricing.
- **Invoices straight to the job**
  Active invoices land in Simpro, matched to the right job automatically.
- **Less data entry**
  No more searching for supplier invoices or keying them in by hand.
- **Fewer errors**
  Correctly formatted pricing and invoices mean less to fix later.

Active Electrical: 25 branches across New Zealand, now connected to Simpro.
